18	When she comes out of the car we will beat her up, make red marks on her white skin, and she will cry and ask us do we want to pull her pants down.
29	I destroyed white baby dolls. But the dismembering of dolls was not the true horror. The truly horrifying thing was the transference of the same impulses to little white girls.
32	"You want to go up to Mr. Henry's room and look at girlie magazines?" Frieda made an ugly face. She didn't like to look at dirty pictures.
36	"Mrs. MacTeer! Mrs. MacTeer!" Rosemary hollered. "Frieda and Claudia are out here playing nasty! Mrs. MacTeer!" Mama opened the window and looked down at us. "What?" "They're playing nasty, Mrs. MacTeer. Look. And Claudia hit me 'cause I seen them!" Mama slammed the window shut and came running out the back door. "What you all doing? Oh. Uh-huh. Uh-huh. Playing nasty, huh?"
41	Pleading eyes and tightened testicles.
44	Even from where Pecola lay, she could smell Cholly's whiskey. ...Cholly had come home drunk.
48	She ran into the bedroom with a dishpan full of cold water and threw it in Cholly's face. He sat up, choking and spitting. Naked and ashen, he leaped from the bed, and with a flying tackle, grabbed his wife around the waist, and they hit the floor. Cholly picked her up and knocked her down with the back of his hand. She fell in a sitting position, her back supported by Sammy's bed frame. She had not let go of the dishpan, and began to hit at Cholly's thighs and groin with it. He put his foot in her chest, and she dropped the pan. Dropping to his knee, he struck her several times in the face, and she might have succumbed early had he not hit his hand against the metal bed frame when his wife ducked. ...Sammy, who had watched in silence their struggling at his bedside, suddenly began to hit his father about the head with both fists, shouting "You naked fuck!" over and over and over. Mrs. Breedlove, having snatched up the round, flat stove lid, ran tippy-toe to Cholly as he was pulling himself up from his knees, and struck him two blows, knocking him right back into the senselessness out of which she had provoked him. Panting, she threw a quilt over him and let him lie.
59	Neither were they the sloppy, inadequate whores who, unable to make a living at it alone, turn to drug consumption and traffic or pimps to help complete their scheme of self-destruction, avoiding suicide only to punish the memory of some absent father or to sustain the misery of some silent mother. ...On one occasion the town well knew, they lured a Jew up the stairs, pounced on him, all three, held him up by the heels, shook everything out of his pants pockets, and threw him out of the window.
60	Into her eyes came the picture of Cholly and Mrs. Breedlove in bed. He making sounds as though he were in pain, as though something had him by the throat and wouldn't let go.
77	Instead we saw Mr. Henry and two women. In a playful manner, the way grandmothers do with babies, he was sucking the fingers of the women, whose

Page	Content
	<p>laughter filled a tiny place over his head.            ...The sight of him licking her fingers brought to mind the girlie magazines in his room.</p>
82	<p>They do not drink, smoke , or swear, and they still call sex "nooky."</p>
83	<p>He must rest his weight on his elbows when they make love, ostensibly to avoid hurting her breasts but actually to keep her from having to touch or feel too much of him.            While he moves inside her, she will wonder why they didn't put the necessary but private parts of the body in some more convenient place- like the armpit, for example, or the palm of the hand. Someplace one could get to easily, and quickly, without undressing. She stiffens when she feels one of her paper curlers coming undone from the activity of love; imprints in her mind which one it is that is coming loose so she can quickly secure it once he is through. She hopes he will not sweat the damp may get into her hair; and that she will remain dry between her legs—she hates the glucking sound they make when she is moist. When she senses some spasm about to grip him, she will make rapid movements with her hips, press her fingernails into his back, suck in her breath, and pretend she is having an orgasm. She might wonder again, for the six hundredth time, what it would be like to have that feeling while her husband's penis is inside her. The closest thing to it was the time she was walking down the street and her napkin slipped free of her sanitary belt. It moved gently between her legs as she walked. Gently, ever so gently. And then a slight and distinctly delicious sensation collected in her crotch. As the delight grew, she had to stop in the street, hold her thighs together to contain it. That must be what it is like, she thinks, but it never happens while he is inside her. When he withdraws, she pulls her nightgown down, slips out of the bed and into the bathroom with relief.</p>
85	<p>White kids; his mother did not like him to play with niggers. She had to explain to him the difference between colored people and niggers. They were easily identifiable. Colored people were neat and quiet; niggers were dirty and loud.</p>
89	<p>"Gimme my cat!" His voice broke. With a movement both awkward and sure he snatched the cat by one of its hind legs and began to swing it around his head in a circle.            "Stop that!" Pecola was screaming. The cat's free paws were stiffened, ready to grab anything to restore balance, its mouth wide, its eyes blue streaks of horror. Junior tried to push her away, but she grabbed the arm which was swinging the cat. They both fell, and in falling, Junior let go the cat, which, having been released in mid-motion, was thrown full force against the window. It slithered down and fell on the radiator behind the sofa. Except for a few shudders, it was still. There was only the slightest smell of singed fur.            Geraldine opened the door.            "What is this?" Her voice was mild, as though asking a perfectly reasonable question. "Who is this girl?"            "She killed our cat," said Junior. "Look." He pointed to the radiator, where the cat lay, its blue eyes closed, leaving only an empty, black, and helpless face.</p>
93	<p>"Mr. Henry."            "What'd he do?"</p>

Page	Content
	<p>"Daddy beat him up."            ... "He...picked at me."            "Picked at you? You mean like Soaphead Church?"            "Sort of."            "He showed his privates at you?"            "Noooo. He touched me."            "Where?"            "Here and there." She pointed to the tiny breasts that, like two fallen acorns, scattered a few faded rose leaves on her dress.            "Really? How did it feel?"            ... "It didn't feel like anything."            "But it wasn't supposed to? Feel good, I mean?" Frieda sucked her teeth. "What'd he do? Just walk up and pinch them?"            She sighed. "First he said how pretty is was. Then he grabbed my arm and touched me."</p>
96	<p>"You could drink whiskey."            "Where would I get whiskey?"            ... "Pecola," I said. "Her father's always drunk. She can get us some."            "You think so?"            "Sure. Cholly's always drunk..."</p>
100	<p>Black people were not allowed in the park, and so it filled our dreams.</p>
111	<p>No better than whites for meanness.</p>
113	<p>Nasty white folks is about the nastiest things they is.</p>
117	<p>I hurt just like them white women. Just 'cause I wasn't hooping and hollering before didn't mean I wasn't feeling pain. What'd they think? That just 'cause I knowed how to have a baby with no fuss that my behind wasn't pulling and aching like theirs?</p>
120	<p>Then he lift his head, turn over, and put his hand on my waist. If I don't move, he'll move his hand over to pull and knead my stomach. Soft and slow-like. I still don't move, because I don't want him to stop. I want to pretend sleep and have him keep on rubbing my stomach. Then he will lean his head down and bite my tit. Then I don't want him to rub my stomach anymore. I want him to put his hand between my legs. I pretend to wake up, and turn to him, but not opening my legs. I want him to open them for me. He does, and I be soft and wet where his fingers are strong and hard. I be softer than I ever been before. All my strength in his hand. My brain curls up like wilted leaves. A funny, empty feeling is in my hands. I want to grab holt of something, so I hold his head. His mouth is under my chin. Then I don't want his hand between my legs no more, because I think I am softening away. I stretch my legs open, and he is on top of me. Too heavy to hold, and too light not to. He puts his thing in me. In me. In me. I wrap my feet around his back so he can't get away. His face is next to mine. The bed springs sounds like them crickets used to back home. He puts his fingers in mine, and we stretches our arms outwise like Jesus on the cross. I hold on tight. My fingers and my feet hold on tight, because everything else is going, going. I know he wants me to come first. But I can't. Not until he does. Not until I feel him loving me. Just me. Sinking into me. Not until I know that my flesh is all that be on his mind. That</p>

Page	Content
	<p>he couldn't stop if he had to. That he would die rather than take his thing out of me. Of me. Not until he has let go of all he has, and give it to me. To me. To me. When he does, I feel a power I be strong, I be pretty, I be young. And then I wait. He shivers and tosses his head. Now I be strong enough, pretty enough, and young enough to let him make me come. I take my fingers out of his and put my hands on his behind. My legs drop back onto the bed. I don't make no noise, because the chil 'ren might hear. I begin to feel those little bits of color floating up into me—deep in me. That streak of green from the june-bug light, the purple from the berries trickling along my thighs, Mama Is lemonade yellow runs sweet in me. Then I feel like I'm laughing between my legs, and the laughing gets all mixed up with the colors, and I'm afraid I'll come, and afraid I won't. But I know I will. And I do. And it be rainbow all inside. And it lasts and lasts and lasts. I want to thank him, but don't know how, so I pat him like you do a baby. ..."But it ain't like that anymore. Most times he's thrashing away inside me before I'm woke, and through when I am..."</p>
123	<p>When Cholly was four days old, his mother wrapped him in two blankets and one newspaper and placed him on a junk heap by the railroad.</p>
127	<p>To Aunt Jimmy she said, "You done caught cold in your womb. Drink pot liquor and nothing else."</p>
129	<p>He was aware, in his sleep, of being curled up in a chair, his hands tucked between his thighs. In a dream his penis changed into a long hickory stick, and the hands caressing it were the hands of M'Dear.</p>
135	<p>Cholly could see her bloomers and the muscles of her young thighs.</p>
136	<p>He rose to his knees facing her and tried to tie her ribbon. Darlene put her hands under his open shirt and rubbed the damp tight skin. When he looked at her in surprise, she stopped and laughed. He smiled and continued knotting the bow. She put her hands back under his shirt. ...She tickled his ribs with her fingertips. He giggled and grabbed his rib cage. They were on top of each other in a moment. She corkscrewing her hands into his clothes. He returning the play, digging into the neck of her dress, and then under her dress. When he got his hand in her bloomers, she suddenly stopped laughing and looked serious. Cholly, frightened, was about to take his hand away, but she held his wrist so he couldn't move it. He examined her then with his fingers, and she kissed his face and mouth. Cholly found her muscadine-lipped mouth distracting. Darlene released his head, shifted her body, and pulled down her pants. After some trouble with the buttons, Cholly dropped his pants down to his knees. Their bodies began to make sense to him, and it was not as difficult as he had thought it would be. She moaned a little, but the excitement collecting inside him made him close his eyes and regard her moans as no more than pine sighs over his head. Just as he felt an explosion threaten, Darlene froze and cried out. He thought he had hurt her, but when he looked at her face, she was staring wildly at something over his shoulder. He jerked around. There stood two white men. One with a spirit lamp, the other with a flashlight. There was no mistake about their being white; he could smell it. Cholly jumped, trying to kneel, stand, and get his pants up all in one motion. The men had long guns.</p>

Page	Content
	<p>..."I said, get on wid it. An' make it good, nigger, make it good."            ...The flashlight man lifted his gun down from his shoulder, and Cholly heard the clop of metal. He dropped back to his knees. Darlene had her head averted, her eyes staring out of the lamplight into the surrounding darkness and looking almost unconcerned, as though they had no part in the drama taking place around them. With a violence born of total helplessness, he pulled her dress up, lowered his trousers and underwear.            "Hee hee hee hee heeeeee."            Darlene put her hands over her face as Cholly began to simulate what had gone on before. He could do no more than make-believe. The flashlight made a moon on his behind.            "Hee hee hee hee heeee."            "Come on, coon. Faster. You ain't doing nothing for her.'            "Hee hee hee hee heeee."            Cholly, moving faster, looked at Darlene. He hated her. He almost wished he could do it—hard, long, and painfully, he hated her so much. The flashlight wormed its way into his guts and turned the sweet taste of muscadine into rotten fetid bile. He stared at Darlene's hands covering her face in the moon and lamplight. They looked like baby claws.            "Hee hee hee hee heeee."            ..."Wait," said the spirit lamp, "the coon ain't comed yet."            "Well, he have to come on his own time. Good luck, coon baby."            ...Cholly raised himself and in silence buttoned his trousers. Darlene did not move. Cholly wanted to strangle her, but instead he touched her leg with his foot. "We got to get, girl. Come on!"            She reached for her underwear with her eyes closed, and could not find them. The two of them patted about in the moonlight for the panties. When she found them, she put them on with the movements of an old woman.</p>
140	It had occurred to him that Darlene might be pregnant.
149	<p>Pecola lost her balance and was about to careen to the floor. Cholly raised his other hand to her hips to save her from falling. He put his head down and nibbled at the back of her leg. His mouth trembled at the firm sweetness of the flesh. He closed his eyes, letting his fingers dig into her waist. The rigidness of her shocked body, the silence of her stunned throat, was better than Pauline's easy laughter had been. The confused mixture of his memories of Pauline and the doing of a wild and forbidden thing excited him, and a bolt of desire ran down his genitals, giving it length, and softening the lips of his anus. Surrounding all of this lust was a border of politeness. He wanted to fuck her tenderly. But the tenderness would not hold. The tightness of her vagina was more than he could bear. His soul seemed to slip down to his guts and fly out into her, and the gigantic thrust he made into her then provoked the only sound she made—a hollow suck of air in the back of her throat. Like the rapid loss of air from a circus balloon.            Following the disintegration—the falling away—of sexual desire, he was conscious of her wet, soapy hands on his wrists, the fingers clenching, but whether her grip was from a hopeless but stubborn struggle to be free, or from some other emotion, he could not tell.</p>

Page	Content
	<p>Removing himself from her was so painful to him he cut it short and snatched his genitals out of the dry harbor of her vagina. She appeared to have fainted. Cholly stood up and could see only her grayish panties, so sad and limp around her ankles. Again the hatred mixed with tenderness. The hatred would not let him pick her up, the tenderness forced him to cover her.</p> <p>So when the child regained consciousness, she was lying on the kitchen floor under a heavy quilt, trying to connect the pain between her legs with the face of her mother looming over her.</p>
152	<p>The careful design was marred occasionally by rare but keen sexual cravings. He could have been an active homosexual but lacked the courage. Bestiality did not occur to him, and sodomy was quite out of the question, for he did not experience sustained erections and could not endure the thought of somebody else's. And besides, the one thing that disgusted him more than entering and caressing a woman was caressing and being caressed by a man. In any case, his cravings, although intense, never relished physical contact. He abhorred flesh on flesh.</p> <p>...all the natural excretions and protections the body was capable of- disquieted him. His attentions therefore gradually settled on those humans whose bodies were least offensive- children. And since he was too diffident to confront homosexuality, and since little boys were insulting, scary, and stubborn, he further limited his interests to little girls. They were usually manageable and frequently seductive. His sexuality was anything but lewd; his patronage of little girls smacked of innocence and was associated in his mind with cleanliness.</p>
154	<p>They were industrious, orderly, and energetic, hoping to prove beyond a doubt De Gobineau's hypothesis that "all civilizations derived from the white race, that none can exist without its help, and that a society is great and brilliant only so far as it preserves the blood of the noble group that created it."</p>
165	<p>The little girls are the only things I'll miss. Do you know that when I touched their sturdy little tits and bit them—just a little—I felt I was being friendly? I didn't want to kiss their mouths or sleep in the bed with them or take a child bride for my own. Playful, I felt, and friendly.</p> <p>...Two of them, Doreen and Sugar Babe, they'd come together. I gave them mints, money, and they'd eat ice cream with their legs open while I played with them. It was like a party. And there wasn't nastiness, and there wasn't any filth, and there wasn't any odor, and there wasn't any groaning—just the light white laughter of little girls and me. And there wasn't any look—any long funny look—any long funny Velma look afterward. No look that makes you feel dirty afterward. That makes you want to die. With little girls it is all clean and good and friendly.</p> <p>...I did what You did not, could not, would not do: I looked at that ugly little black girl, and I loved her. I played You. And it was a very good show!</p>
168	<p>A slim young girl in a pink crepe dress. One hand is on her hip; the other lolls about her thigh- waiting.</p>
169	<p>"Did you hear about that girl?"          "What? Pregnant?"          "Yas. But guess who?"          "Who? I don't know all these little old boys."</p>

Page	Content
	"That's just it. Ain't no little old boy. They say it's Cholly." "Cholly? Her daddy?" "Uh-huh." "Lord. Have mercy. That dirty nigger." ..."Oh, come on. She ain't but twelve or so."
178	Oh. She's all right. For a half-white girl, that is.
180	All he did was get drunk and beat her up. ...Anyway, if she didn't love him, she sure let him do it to her a lot. ...I saw them all the time. She didn't like it. Then why'd she let him do it to her? Because he made her.
182	You said he tried to do it to you when you were sleeping on the couch. See there! You don't even know what you're talking about. It was when I was washing dishes.
